

2013 Arbor Day Celebration

Community Tree Planting & Giveaway

Volunteers Needed!

This is your opportunity to get involved, get your hands dirty as well as have some fun in a community project! Businesses, organizations, families, and individuals are encouraged to join us. Arbor Day 2013 will provide Quaker Park and the community with several different species of trees that will provide shade, clean air, and beauty to the City of Westfield for years to come. While at the park, make sure to pick up one of your favorite trees to plant at home. We have 500 seedlings to give away! Please visit the "Volunteer Opportunities" section at www.westfield.in.gov/parks to sign up to volunteer for Arbor Day 2013.
